Dear Commissioner:

Please amend the above-identified application as follows:

Amend the Claims per the attached Amendments to the Claims.

REMARKS

This Amendment in Response to First Office Action Dated 09/14/2004 is timely filed. Dependent claims 2-3, 8-15, 18-19, 21-22, and 28-29 totaling 16 claims have been canceled. Sixteen new dependent claims, numbers 32-47, have been added. Since the same number of claims were added that were canceled there are no additional fees due.

Regarding the Office Action, Applicant has elected Species A and Sub-Species C for submission and examination. The new claims 32-47 are consistent with that election.

It is respectfully submitted that the Application as herewith amended should now be in condition for allowance and that action is respectfully requested. However should the Examiner feel that some matters remain to be resolved, a telephone interview with undersigned counsel for the Applicant is respectfully invited if the same would be expedient in resolving any remaining formalities or other matters.
